

MARSHALL COUNTY SHORTHORN BREEDERS

Seventy-eighth

AUCTION SALE

Monday, Feb. 22, 1954

Marshalltown Sales Barn

Marshalltown - - Iowa

Announcement

You are most cordially invited to attend the 78th auction sale of the Marshall County Shorthorn Breeders Association.

For three generations the cattle-men of Iowa and surrounding states have found these sales a very satisfactory place to select herd-improving breeding material.

The tops in our female offering have seldom been as good as this time. A half dozen cows have good calves at foot. A few heifers that can win in the fall pure-bred heifer shows are included for your convenience.

Among the forty bulls listed, Gloster's Masterpiece is the head-liner: In his four years service in the Wiebke herd at Greene, Iowa, he has won wide publicity for himself and his owners. He transmits his near-perfect conformation to his calves and is as useful now as he ever was.

A number of the bulls approach two years of age and are ready for heavy service. Forty bulls and not a "dog" in the lot.

Some of the pedigrees have footnotes attached that are usually a fair description of the animal. Some owners are too modest to prepare footnotes although their animals may be very superior.

The Marshall County Association is a non-profit organization planned to bring buyer and seller together conveniently. We claim, without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in good times or bad times, in war or Peace.

We hope to see you Sale Day.

Show begins at 9:30.

A. J. Blakely & Son, Grinnell, will place the classes.

Sale begins at 12:45.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, Feb. 22, 1954, at 12:30 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents but will not be responsible should any occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyer's risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

PEDIGREE CERTIFICATE—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

LUNCH—At Sale Barn.

AUCTIONEER—C. G. Mason.

CLERK—John W. Bailey.

FIELDMEN—T. W. Sherlock of Wallace's Farmer, Clem Larson, National Association, Albert Hamann, Iowa Association, Kenneth Fulk, Beef Producers.

Gloster's Masterpiece is selling in this auction. Our herd is full of his daughters and we can no longer use him to advantage. Most Iowa Shorthorn breeders are familiar with the show-yard record of this illustrious sire, and with the selling record of his sons and daughters. He will add both prestige and wealth to any good herd. Buy him. The guess work is all taken out of this investment. He is as sure and active as a two-year-old, and we guarantee him that way. A daughter was top female in the most recent Marshalltown sale. There are few such bulls. Our 1954 show herd will be entirely of his calves.

Duquesne Gloster is another one of those thick fleshed Goldfinders. In this case a Goldfinder crossed on one of the greatest strains of Shorthorns today, Cruggleton. Think of owning a bull backed by Cruggleton Elvin and Braemar. Mr. A. J. Marshall said these were two of the three best bulls he ever owned. The one grandam Freda Rosebud produced the many times champion heifer, including Iowa and Indiana 1953, Leveldale Freda Rosebud. She later sold at \$4,000 in the '53 Leveldale Sale. The other grandam, Duchess of Gloster 4th, our old Goldfinder cow, produced two Marshalltown sale grand-champion bulls that averaged \$1,000 a piece. Also Royal Rothes was a Perth Supreme Champion and the ever popular Supreme Goldfinder round out a great pedigree of an outstanding young bull. Don't miss seeing this bull sale day.

Marksman's Goldfinder—We believe this calf to be one of the two best bulls we have ever offered at Marshalltown. The other one was a full brother to this calf's mother; one of our best daughters of Goldfinder's True-Type. This calf is extra good in his fleshing, good legs, and is thick and deep in body. If you are looking for a bull that will sire the easy-feeding, thick-fleshed calves, this linebred Goldfinder, will go a long way in that direction. Bring your neighboring steer-feeder with you sale day; and ask him how he would like to have some calves in his feed lot like this one.

Roan Leader is a beautiful dark roan in color and is out of our best cow. He is a heavy boned, rugged sort of a bull and should do a person a lot of good. If you appreciate outstanding breeding you can buy it here. This pedigree simply glistens with the names of famous animals, and their equally famous breeders.

Spotlight's Image 3d is another of those thick, deep bodied sons of Sunray's Belle, a young cow that has been a regular producer of good calves for me. I sold her first calf at Marshalltown in February, 1952, and her second in February, 1953, for an average price of \$427.50. Notice the good straight back, uniform thickness, and especially the full, well rounded rear quarters on this bull.

Lovely Missie 2d is a real thick, low-set show heifer. She carries well all the way through with a lot of style. She is like all of the heifers sired by Glosters Masterpiece, thick and smooth.

She was bred in October to Royal Gloster the best son of Glosters Masterpiece. He is a beautiful roan like his sire. We sold him to head the good pure-bred herd of Millard McNutt of St. Ansgar, Iowa. This should be a wonderful mating. She is vaccinated and clean.
